***COLLECTION NOTE***

This collection features information and documentation of the Kentucky Experience pavilion at the World Equestrian Games held 25 September to 10 October 2010 at the Kentucky Horse Park in Lexington, Kentucky. This pavilion was sponsored by the Kentucky Arts Council and the Kentucky Folklife Program. This marks the first time the games were hosted in a city outside of Europe. It is also the first time that all of the events at the games were located at a single site. Performances and events at the pavilion displayed traditions that were local to each region of the state. These regions include north central, eastern, south central, and western.
